

Dear Families,

Welcome back and we hope you had a lovely Easter break!

This term is another busy term with the children working especially hard preparing for SATs and their transition to Secondary School.

We begin with our new topic, **'Who Do You Think You Are?'** where we are looking at indigenous plants, animals and cultures both here at home and around the world. The children are all really excited about the topic and what we have planned for this term. We are looking forward to exploring this topic through engaging, independent activities.

We will be sending home a new homework grid related to the summer topic. Please encourage your child to complete tasks with the family where possible.

SATs will be upon us very soon! We begin with the Spelling, Punctuation and Grammar (SPaG) on Monday 13th May.

Here is a table to show which tests your child will be taking the week of the 13th May.

Day	Test
Monday	Spelling, Punctuation and Grammar
Tuesday	Reading Comprehension
Wednesday	Maths Arithmetic Paper 1 Maths Reasoning Paper 2
Thursday	Maths Reasoning Paper 3
Friday	Reward Trip: Isle Jump!

We would really appreciate your continued support with the following:-

- That your child has a good night sleep.
- That your child arrives to school on time.
- Encouraging your child to complete their home learning.
- Giving your child lots of encouragement.

We will be offering the children a free breakfast during SATs week starting from 8am each morning in 'the Den'.

This term PE will be on a Monday afternoon. However, we suggest that the children have PE kit and sensible footwear in school all week to equip them for all the outdoor learning we hope to undertake after the assessments.

In preparation for their move to Secondary School, we will be continuing focusing on writing across the curriculum, so could you encourage your children to read a range of materials including books on fiction, non-fiction, newspapers and magazines as this will help to inspire them.

Please do not hesitate to come and see us if you have ANY concerns. We are looking forward to a happy, healthy and fun term.

Year 6 Team
