Thursday 6th April 2017

Dear Year 6 Families

Last week the children experienced a mock SATs week, in which they did very well, and with the real SATs coming we have arranged a treat for the children on Friday 12th May to go to 'Isle Jump' for a celebration bounce. This is fully funded by us.

In return for this treat, for Easter and the next two and a bit weeks after Easter we would like all children to complete their home learning of maths, SPAG (spelling, punctuation and grammar) and reading. These are short questions to revisit areas of learning. This is because during the mock SATs we identified areas that need a little boost (this will give the children a taste of secondary school too!) During the Easter break the children will have an Easter booklet to complete and after Easter there will be nightly pieces of learning.

Mr Cooper has offered to be here after school every day from 2.45pm to 3.45pm to help with the homework pieces if your child would like to stay. We are hoping that this boost, along with your help in reading and practicing times tables over the next four weeks, will just cement the children's learning so that they are confident and able to complete the assessments to the best of their ability.

On Friday 12th May, the children can come to school in their own clothes. They will need a packed lunch to eat on the beach (no fizzy drinks or glass bottles please). If your child is entitled to free school meals we will provide one. Our Isle Jump session is booked from 1pm-2pm so we will be back at school at 3pm.

We need you to do three things:

1. **Complete the Isle Jump waiver at www.islejump.co.uk**
2. **Reply YES to this email** to say that you will support your child in completing the home learning tasks.
3. In your reply email please tell us **who will collect your child, or if they can walk home** at 3pm

Thank you for your support and understanding in helping your child to do the best that they can.

Caroline Sice
Headteacher
