Dear Families,

We use the online payment system **SchoolMoney**. This means that you have the facility to make payments for school expenses, such as trips, clubs and school lunches online with your debit or credit card.

This payment system benefits both us as a school and you as a parent. Not only are you able to pay for items from the comfort of your own home but you are also able to access your account at any time to see if there is anything you need to pay for. **SchoolMoney** enables us to experience a more streamlined, cost-effective and efficient payment system in a secure and safe environment.

You won't need to sign up to this system as this is done automatically through the school and as long as you have provided us with up to date contact details we send you a password. This password gives you access to your **SchoolMoney** account where you can pay for any items we have requested from you.

To log into **SchoolMoney**, visit the website www.eduspot.co.uk and click on the sign in button in the top right hand corner. In the drop down, select the **SchoolMoney Parent Login** option and this will send you through to a page where you need to enter your mobile number, email address, the password we have sent to you, and your child's first name.

If for any reason you are struggling to log in, it may be because you have not provided us with the correct contact details. Please let us know immediately if either your mobile number or email address changes.

Thank you for your continued support.
