To all Families

As a School we want to focus more on how we can become more environmentally friendly. We know with small steps we can make a difference and educate our children and families to all make changes - even small ones - that can have a huge impact on our footprint.

As Trustees, this is one of our key priorities this year, and we are looking for a volunteer to be an 'Eco Warrior' to help us achieve this goal.

We see this person being super passionate about the environment and being able to identify and implement changes in our school. This could be looking at, and applying for, grants to help make changes, suggesting different buying options for materials and resources and introducing competitions to encourage an increased awareness of being eco-friendly such as no plastic lunch box days.

Please email [chair@lanesendpri.iow.sch.uk](mailto:chair@lanesendpri.iow.sch.uk) if you are interested.

We look forward to hearing from you.

Karen Herbert-Duff and Jo Hunter
