

Tuesday 2nd February 2021

WWW.LANESENDPRIMARY.CO.UK

Dear Families,

You may be aware that we are an Early Adopter School for the new EYFS Framework and revised Early Learning Goals. As this is now only an end of year assessment, rather than one that uses month bands to track progress, we felt that our current data and annual reports did not match this new approach, so we have come up with a new Reception Learning Review. We are trialing these this year in place of our old annual reports. Each child will have two personalised reviews for the remainder of this year. The format of these reviews is as follows:

- Each child will have a focus week, where we will review their learning so far in advance and decide on our targeted focus for the coming week.
- We will put this into place through focused activities and learning conversations with your child throughout the week.
- We will then update their learning review, adding in photos, next steps and feedback from the class teacher and your child.
- Finally we will Dojo you to arrange a 15 minute Go To Meeting with you and your child at the end of their learning week to discuss their learning review together and add in your feedback.
- After this, Mrs. Sice will feedback on the learning review and we will then send you a copy.

We will begin our reviews on a Friday, the start of our week, and are intending for the meetings with you to take place on the following Thursday. We will begin by focusing on the children who are in school.

This is a new way of working for the Reception Team, so we would welcome your support as we get this up and running, as well as your feedback once you have taken part in a learning review. We hope that these learning reviews will allow us to focus on supporting each child's individual learning journey and ensure we support your child on their love learning journey.

Kind regards

Miss Hopkinson and the Reception Team
