

Sex, Relationships and Emotions Education

Wednesday 4th September 2019

Dear Families

For the last few years we have completed our sex, relationships and emotions curriculum at the beginning of the school year. We find this to be an appropriate time to complete this as it allows children to be informed throughout the year. We have decided to do this again and our sex, relationships and emotions curriculum will take place the third week of term, beginning 16th September.

Please do not be alarmed, as the curriculum is appropriate to each age group. We are a caring school and we believe we have a responsibility to provide our children with the knowledge, skills and understanding they need to lead a confident, happy lifestyle now and in the future.

Also being emailed is our policy regarding the delivery of the sex, relationships and emotions curriculum. It also contains the recommended content considered appropriate for your child's age.

Section 406 of the Education Act enables families to withdraw their children from sex education lessons if they choose. Please read the policy so you can make an informed decision. If you are happy for your child to attend then no further action is necessary.

Please feel free to ask me or your child's teacher for any further information.

Kind regards

Caroline Sice
Headteacher
