Date 28.11.19 at 10am

What are we talking about?	What did we say?	What are we going to do?
Apologies	Marni Machin (YR)	
Previous Minutes	Minutes agreed to be correct.	
Agenda	<ul style="list-style-type: none"> • Eco schools 	
Introduction to Rob	<p>We began the meeting with Rob introducing himself to the children. Rob told the children that he had previously worked at Vestas, working on wind turbines. He then went on to what he is here to help us do as eco warriors;</p> <ul style="list-style-type: none"> - Here to help us with our eco past - Going to make a plan for our school - Carbon detectives - Eco footpath for school - Help us with an action plan - Close to Bronze award <p>Rob and Dave both explained what the Bronze award criteria was and agreed if parts had been met or not. Bronze award requirements are:</p> <ul style="list-style-type: none"> - 1 pupil each year group on the committee (reached) - 1 meeting every half term (reached) - Meeting minutes on the board (need doing) - Someone on the Committee who is a parent/governor (reached) - Senior management on the Committee (reached) - A copy of our Environmental review on our pupil council board (need doing) 	<p>ACTION –</p> <ul style="list-style-type: none"> - Give rob our Environmental review - Pupil council minutes to go on our pupil council board

Tree planting	We then discussed how the school have been donated 120 different trees to be planted on our school field. We discussed that we were going to plant two with Rob at the end of the meeting. We all then went outside and walked across the other side of the field. Rob then helped the children securely plant two of our trees.	
Next meeting.
