Year 6 Nutrition & Cookery Lessons

Dear Families,

From next week on Tuesdays, Year 6 will be having nutrition and cookery lessons. These will be in small groups, approximately six children at a time. This is to teach them healthy eating options and food awareness which we feel is one of the essential life skills. These lessons will be fully funded by the school.

We hope that by the end of the year the children will be able to prepare and cook lunch for a member of staff.

It would be great if they could also do some cooking at home. Please bring in or email families@lanesendpri.iow.sch.uk any photographs or food reviews of any home cooked food opportunities.

Kind regards

Simone Smith, Food Champion

Caroline Sice, Headteacher
