Dear Families

As you know, Year 5 will be visiting UKSA in June for a fantastic six weeks of Watersports sessions. Your children will be trying their hands at all the sports offered at UKSA; dinghy sailing, kayaking, paddle-boarding, raft build and race, keel-boating and windsurfing. I'm sure you'll agree this is a really exciting opportunity for them.

UKSA support, empower and educate young people of all abilities and ages through the challenge, adventure, fun and rewards of outdoor learning environments. These sessions help to build the children's confidence, inspire them, motivate them and give them an experience to remember.

We have arranged for Gary Kurth UKSA to come to school and talk to the children and parents about what they will be experiencing throughout their six weeks. **Please come along to Mrs Dyer's classroom at 3.00pm on Thursday 26th May.** If you cannot make this meeting but would like to know more about Watersports, please let us know.

Kind regards

Mrs Dyer & Mrs Mayes
