Friday 22nd April 2016

Dear Families,

This week the children experienced a mock SATs week in which they did very well, and with the real SATs coming, we have arranged a treat for the children on Friday 13th May to go to 'Isle Jump' for a celebration bounce. This is fully funded by us. In return for this treat, for the next two and a bit weeks we would like the children to complete three pieces of homework a night, one on maths, one on SPAG and one on reading. This is because during the mock SATs we identified areas that need a little boost. (This will give the children a taste of secondary school too!)

The deal is all children are to have a go at all three pieces each night. Mr Cooper has offered to be here after school every day from 2:45 through to 3:45 to help with the homework pieces if your child would like to stay. We are hoping that this boost along with your help in reading and times tables over the next couple of weeks will just cement the children's learning so that they are confident and able to complete the assessments to the best of their ability.

On Friday 13th of May, the children can come to school in their own clothes, they will need a packed lunch to eat on the beach and then we will go off to 'Isle Jump' from 1:30-2:30. This means that we will be back at school at 3:30pm.

We need you to do two things: complete the 'Isle Jump' waiver at <https://www.islejump.co.uk/user/index.php> and reply yes to this email!

Thank you for your support and understanding in helping your child do the best they can.

Caroline Sice
Headteacher
