

Lanesend Primary School Summer Home Learning Grid

We've come up with the best homework ever! We believe it's the right balance of super fun, educational and treasured essential skills. Set your child on a mission to complete some - if not all! - of the list over the summer break!

Make up an exciting adventure story in your head – can you retell it to someone?	Invent something new, can you draw a picture of it or write a description?	Read a book, comic or magazine somewhere unusual. Can someone take a photo of you doing it?	Make friends with someone new	Find a hill and go rolling down it
Have a water fight	Make up a dance routine to your favourite song	Go for a long walk somewhere you've never been before	Collect some leaves and twigs and make a piece of 'wild art'	Build something – a den, a fort, your choice!
Make paper aeroplanes and see which flies the furthest	Start a scrapbook of your summer holiday memories	Play a board game with your family	Stay out till it's dark. What can you spot? Stars? Bats? Or something else?	Lie down outside and cloud spot, what shapes can you see?
Write a letter or postcard to someone	Climb up a tree and monkey around	Learn something new, can you find a new hobby?	Watch the sunset, can you draw a picture of it?	Visit the library and find a new favourite book
Get your wellies on and get muddy! Can you make a mud pie?	Do something kind for someone	Make shadow puppets, can you do a show for someone?	Camp out in the garden, what an adventure!	Find some flat stones and go stone skipping
Start a collection	Learn to use a compass, can you find your way with a map?	Go on a bug hunt, how many can you find?	Hide some treasure and make a treasure map for your friends to find it	Help to make a delicious meal for your family
<i>The main thing that you must do is... have fun!</i>				

Mrs Sice can't wait to see what you have done so please take photos, make a scrapbook, draw pictures, write stories, write a poem... the list is endless! Please bring in your super home learning in September and show it off. Have a fabulous summer!
