

<p>Whole School Attendance since Sept 2018 97.19%</p> <p>TARGET: 97.7%</p>

Welcome to the last week of term before our two-week break. The weather is a little unsettled this week but I am really hoping it is going to improve for our half term break, so that people having a 'stay-cation' can enjoy their time outside too. I definitely think it is time for a **sun dance!**

This week in school Year 2 families are invited for lunch. Mrs Hinkley's class are looking after the chickens and Mrs Gilbert's class are on composting (on Friday, the girls who interviewed me asked me about how we are improving our environment and reducing our carbon footprint and recycling, which I thought was a very good question. Mr Cooper and the Pupil Council have this as focus at the moment but it is also an area that we need to improve upon further, so any **ideas or initiatives** that you have heard of that you think we can take on board **please let me know** and I will pass them on to Mr Cooper and the Pupil Council team. Tonight we have the Under 11s cricket tournament at Wootton and also a Lego League competition at Ryde School. Tomorrow Year 1 continue swimming which I believe is going well and the children are really enjoying. This is definitely something we will continue next year. There is also a girls' home cricket match tomorrow after school. On Wednesday, Vicki and I are off to parliament for a Round Table discussion on children's wellbeing (Vicki got the invite, and I am gate crashing as I thought it was a wonderful opportunity to talk about what we do so well here at Lanesend). Thursday is our Empty Classroom Day, and the weather is looking good at the moment on my iPhone app! On Friday Year 2 are swimming, we have a mathematics workshop for some of our children at Newchurch and some of us will be attending the Isle of Wight Leadership conference at the Quay Arts on Friday too, which brings us to the end of the week and our extra long break.

When we return we come straight in to our **Health Week** where we will be looking at how to create healthy habits. This will also include our **Sports Day on Tuesday 11th June**. This will follow a similar format to last year, beginning with our Years R, 1 and 2 then Years 3 and 4 followed by 5 and 6, then come together in the afternoon for some traditional races. Miss Westbrook will be sending out a separate letter by the end of this week, but just make sure this date is in your diary. We then have our Food for Life **Dig Day on Thursday 13th June**, where we will be making sure our plants are progressing well and also with a focus on healthy lunchboxes. We also have **Briddlesford Farm** coming in to talk about milk and cheese. On the Friday don't forget **Year 5** begin their Watersports season. **We really need the medical forms and payments as soon as possible please, please, please.**

I would like to say a huge **well done to the Year 6 children**, who completed their SATs assessments with determination, enthusiasm and enjoyment. All the children were very calm and were so well supported by the team, so **thank you** to all our families for supporting this week in school, to Team Lanesend for supporting the school and the children, and to Year 6 for being just fabulous. The assessments themselves I felt were a little tricky and almost wanted to trip the children up in their use of language, but I may be wrong. I do know that many adults would struggle with some of the questions on this year's paper! Charli in the office had a go at some of the questions that had been put online and expressed how challenging they were (I won't tell you how many she got out of 10...) I felt it was also very telling when Mr Andre put up the video of the Year 6 children playing in the Year 1 area, and you realised that they are just children, and are we putting too much pressure on their childhoods? This week the Year 2 children will complete their assessments. The team have been brilliant in making sure that the Year 2 children experience it in such a calm and unobtrusive way. Thank you team Lanesend, you really do stand out in all that you do. This only leaves us with the Year 1 phonics which will be completed the week of the 10th June, and I am sure the Year 1 team will send home some support packs ready for the children on their return. Year 4 will do the multiplication trial after the half term break too.

We are approaching the deadline for resignations on 31st May, however I am anticipating some changes and may need to advertise after the holidays so I may not be in a position to tell you **classes for next year** as soon as I would like. As soon as I know I will communicate it, as I know our children and families sometimes need time to adjust to change. I think I have said this before, but I do like change as it always feels like a new and exciting adventure.

Year 6 France—we are making the final arrangements for France but may I ask Year 6 families that we do need your **EHIC cards**, and **payment is now overdue** as we have to make the final payment to the company this week. Thank you for your support. We are also just about to book for next year too—so exciting.

Our assembly this week is focusing on when we get things wrong, and trying to develop resilience and an understanding that it is okay to get things wrong, as our best learning comes from it. **If we don't get things wrong, we are not learning anything.** Talking about this at home, over the dinner table would be great.

Have a lovely week.

Caroline Sice, Headteacher

Tune into the quiet and calm,
turn down the busy and give
this week's activity a go...

Mind Full, or Mindful?

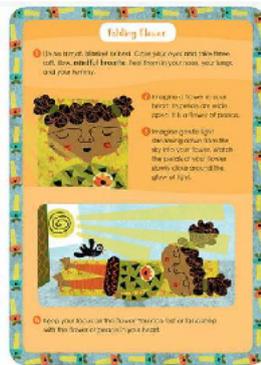

Lie on a mat, blanket or bed.
Close your eyes and take three soft,
slow, mindful breaths. Feel them in
your nose, your lungs and your
tummy.

Imagine a flower in your heart.
Its petals are wide open, it's a
flower of peace.

Imagine gentle light streaming
down from the sky into your
flower. Watch the petals of your
flower slowly close around the
glow of light.

Keep your focus on the flower.
You can rest or fall asleep with the
flower of peace in your heart.

Privilege Seat Application Window – Academic Year 2019/20

Dear Parent/Guardian

The dates for the privilege seat application window for academic year 2019 have been finalised. Should you wish to apply for a privilege seat for your child to use the school bus service you will need to apply between 9am on Monday 3rd June 2019 and 4pm on Friday 14th June 2019 for children in school years 0 – 11, only. Please note that the online form will only be live between the above times and that applications received outside of this window will not be accepted.

Further information on the privilege seat process can be found online, here: <https://www.iwight.com/Council/OtherServices/School-Transport/Privilege-Seat-on-School-Transport>. Please also note the FAQs, Code of Good Practice and Ticket Terms and Conditions sections available via this webpage. If you scroll to the bottom of the above webpage you will see the bus services for which you can apply. This information will be live from 9am on Monday 3rd June 2019. Should the service you require not be listed you will not be able to apply for that service at this time.

Do bear in mind that making an application for a privilege seat does not guarantee a seat on the school bus.

Privilege seat ticket prices are set costs as follows.

- Up to a full term £130.00
- Up to half a term £65.00
- Up to a full term AM or PM only £65.00
- Up to half a term AM or PM only £32.50

Should you have any queries please contact the Transport Team at the Council via email: transport.info@iow.gov.uk or telephone: 823780.
