

Beagle-Investigator-Reliance

Year Two

Try as many activities as you like.

Community	Help lay the table for tea every day for a whole week?	Write a kind message for a friend and make them smile.	How many acts of kindness you can complete in one day.
Literacy	Write a set of instructions for one of your creative designs. Don't forget 'bossy verbs!'	What do you know about trains and transport? Create a fact file or presentation to share.	Write an adventure story. What would your journey be like? Where would you go?
Numeracy	Go on a shape hunt. Find any 2D shapes on the surfaces of 3D shapes?	Could you make a maths game, using 2, 3, 5 or 10 times tables, to teach your friends?	Practise telling the time to the nearest $\frac{1}{4}$ hour.
Creative	Design and make a picture or model of a train.	Create a landscape image of the Isle of Wight using paint, pens, crayons, paper.	Make a bridge and test its strength? How can you make it stronger?

Remember to read your books, practise your spellings and practise counting everyday!
