TARGET: 97.7%

We did have some brighter moments last week in the weather and tomorrow looks better, especially for our **Year 4** children who are off to **Little Canada** today for their residential trip. We have decided to do this trip earlier in the school year to see if it creates stronger team building skills ready for the year ahead. I will take feedback from the staff, pupils and families to see if we will look to do this trip in October next year, or revert back to April. We do have a **Little Canada meeting for CURRENT YEAR 3 families on Wednesday at 6.00pm** to share the experience with you and look towards next year. I have also booked an **information evening for CURRENT YEAR 5 families** regarding their Year 6 trip to France on **Thursday at 6.00pm**. I am trying to see if we can help spread costs over a longer period.

I cannot believe that one sixth of the school year is complete, and when I look back on Class Dojo—WOW! What an engaging and exciting term we have had. I really loved last week with our **author visits**. They were inspirational and the children were amazed by how they write books and where the stories begin! Our aim is always to develop a love of reading and the more children read, the more their imagination develops and helps with their imaginative writing. Research shows that the more family support children receive the better learning outcomes they have—I see this in school, so **please help us** to help every child learn to read, so that they can read to learn.

It is a very exciting week for Year 6 as they present their speeches to the rest of the school ready for our **Head of House voting day** on Thursday. The voting booths are being picked up on Wednesday and all children and staff will make their vote on Thursday. We will announce the new Heads of Houses on Friday. Good luck everyone!

It is a **busy sporting week** this week with tag rugby, football and cross country (we are taking fifty children to cross country at Shanklin on Friday! We hope they will excel, as they do here in school.) We also had lots of sporting fixtures last week and the children are rising to the challenges and making improvements all the time as they get to know their new teams. Miss Westbrook and Mrs Wyld would always be very pleased with any family help and support for our sporting fixtures! **Please let them know if you can help.**

Tomorrow in school we have our first **'open lesson' from 8.45am** across the school. You are invited to stay and watch and learn about how we teach an aspect of Maths to the children. We have planned to have an open lesson every half term so that families can fully engage in their child's learning, as we know this will make a huge difference to their achievements and learning.

On Wednesday we have **recycling workshops** in school for Years 1 and 2 and also for Reception on Thursday. Thursday is also our **Food for Life—Outdoor Curriculum Day**. I met with SNAG (Schools Nutritional Action Group) on Friday and we discussed school lunches. We are going to ask the children their thoughts on the menu and what they would like to see. This is following on from a very successful Year 6 leavers menu last year that went down particularly well!

School lunches are an important part of the school day and we do want to get it right so that they are irresistible! The Outdoor Learning Day will focus on the environment, and if families wish to help us with the outside and making it look nice I have lots of jobs for you to do!

At the end of the week we have our **Trickbox Mufti Day** where we are asking for **£1** towards buying a box of Trickbox cards for each child. So, if you would like your child to have a box of tricks please bring in one pound (we are funding £1.50 per child as the cost per box is usually £2.50) and come dressed in **red, yellow, green or blue**. The Trickbox is going really well and it is lovely seeing the children beginning to use their 'tricks'. This week I have seen the positive circle being used and helping the children to think of good things when approaching events or situations. It really does work. I loved Miss Westbrook's Dojo post using the magic circle!

Thank you to the team for organising our **Film Night**. I was impressed with the singing! We have so far raised £7050 towards the **sensory garden**. To continue to raise funds for the school, I was very pleased to meet with a group of very enthusiastic parents who are willing to create and develop a **PTA (Parent Teacher Association)** and become a team to organise events and raise funds to support the school. Thank you so much. It is not too late to be a part of this team if you are interested...

I have previously commented about support for our library, which is in dire need of improving! The library service is in next Monday, 21st October, to sort our books. If anyone is interested in **volunteering to become our school librarian** that would be marvellous. It is a role that many schools just cannot afford.

Congratulations to **Mrs Domoney** who was recognised for her awesomeness at the HLTA awards on Friday. We are very proud of her.

The **Pupil Progress Reports** will be with you at the end of the week. Please remember to **sign up for your meeting** with your child's class teacher after half term. The sign-up sheets are on your child's classroom doors. If you can't get in to school please call or email so that we can book a slot for you. It is so important to attend and help to support your child's learning.

We welcome Daisy to Year 1 as a trainee teacher and also Guillermo, who is from Spain, supporting sports in school.

Have a lovely week and a fabulous two-week half term too—how exciting!

*Caroline Sice, Headteacher*

### Sports Corner

It has been a busy few weeks for sport at Lanesend!

Our football ladies travelled to The Bay, Sandown.

Despite a defeat, our game grew in many ways during the match showing great promise for the future!

Inspiring grit and determination from our Year 2 & 3 triathletes at Wootton Primary.

They ran, scooted and cycled against two other schools, and showed brilliant team spirit.

A really fun and exciting event!
