Isn't it exciting that it is February, and suddenly the daffodils are out in bloom—and the snowdrops are just amazing this year. We are heading towards Spring and towards the end of this half-term. Just a reminder that the **sign-up sheets for Pupil Progress Meetings** for before and after half-term are up, don't forget to sign up as it is an important opportunity for you and your child to talk about what is going well and next steps. I will remind the teachers to invite the children along too, as I feel it is important that the children are involved in the conversation so that they understand clearly what they have done well and what next steps are needed. The teachers have worked very hard on the annual reports and these will also be given out at the meeting.

Last week in school was a quiet busy week, and I know that is an oxymoron but it definitely was a week of contradiction. We interviewed for teachers, and I am pleased to announce that we have appointed Miss Lorna Punter and Mrs Kate Slade for September. Summer Pelosi and Millie Sice are joining us as Learning Support Assistants and Charli Reading has been promoted to Office Manager, with Laura Strickland in Admin Support for myself and the office. Lots of new members to Team Lanesend as well as Daisy, our new therapy puppy who has been welcomed so warmly by the children with special pictures—and gifts too! The girls' football team played two great matches on Thursday and they are showing such grit and determination to get better and better, and they will. Volleyball was good fun and the new-age curling was really interesting. Congratulations to our children who took part in the Maths challenges, and particularly to our boys who came third out of eighteen teams across the island. Learning our number bonds, multiplication facts and being able to manipulate numbers are such important skills to master. Thank you to all the families who joined us for our reading open lesson in school.

On Thursday evening, the Trustees met and we discussed the **term dates for 2020-21 and 2021-22**. We looked at the responses to the survey, which were positive for keeping the two week half term in October, two weeks at Christmas, two weeks at Easter and two weeks at the May half-term. The Trustees have agreed this for the coming years, however Christmas 2021 is quite awkward, and originally the Local Authority was planning only six days at Christmas from Thursday 23rd December and coming back on Tuesday 4th January. We have changed this to Wednesday 22nd December, returning on Wednesday 5th January. Unfortunately there was no way we could incorporate the weekends in to this break. I will send the term dates out on

a separate email later this week. Thank you for your responses to the survey monkey, it was most helpful.

This week in school we begin with our **HERO week** (Here, Every day, Ready, On time). It is really important that children start the day early. It lowers worries and builds confidence. All the children who are here on time this week will be put in to a draw with a chance to win a £5.00 voucher in recognition of great timekeeping.

Dance Live—only a week to go! I am popping in on Wednesday morning to help with facial expressions and characterisation which I am so looking forward to. It is getting very exciting and the new LED screen is amazing. We have under 10 boys football tonight away at The Bay—good luck boys, you can do it. The school nurses are in all day on Wednesday for Year R and Year 6 height and weight. Letters regarding this have gone out but if you have any concerns pop in and ask. On Friday Year 5 are off to the Noel Turner Science Day at Cowes Enterprise College and is this year being run by the Winchester Science Centre. There is a non-fiction workshop at Newchurch on Friday afternoon and we end the week with another football match at The Bay, this time for the Under 9s boys. It is also the NSPCC Number Day. On Wednesday we have our 'Sing Up' Assembly where the children will perform their half-term songs. Unfortunately we do not have enough room for all the children and families, so I will ask staff to YouTube the performance so you can see how well they performed. Singing helps memory and language development, and the children just love it.

Last year, we changed our learning week from Friday to Thursday so that the children had an opportunity to research the learning over the weekend and not worry about not knowing what was happening on a Monday. We have changed our Monday staff meeting to a Friday. **From after half-term, I will send out the newsletter on a Thursday**, which I am sure will also help families talk about what is happening the coming week, over the weekend. I do hope you find this helpful.

This week I have asked for the children to learn about palindromes. These are words or phrases that are spelt the same forwards and backwards. Can you find the best palindrome or multiple-word palindromes? I always use 'Hannah', as she was a friend of mine at school and always loved that her name could be spelt both forwards and backwards. 'No lemon, no melon' is a good one too.

Have a good week. *Caroline Sice, Headteacher*

Once again we are going to enter the BBC Radio 2 writing competition: the 500 word challenge. Follow the link for all the details you need. If you wish to enter write your story at home on a computer. It must be under 500 words and you must be over 5 years old. When you have completed your story bring it to Mr Cooper who will support you getting it ready for entering. It can be as creative as you like but must be age appropriate! We are looking forward to some fabulous stories! <https://www.bbc.co.uk/programmes/>

This week's menu is Week 2

KidZania Trip

KS1: Tuesday 10th March

KS2: Wednesday 11th March

The £5.00 deposit for this trip is now overdue, please log in to School Money or pop to the office to pay if you have not already done so. The remaining balance of £27.50 is due by Friday 21st February.

Please remember that by signing up to this trip on Survey Monkey you have agreed to the costs. The KidZania tickets, coaches and Red Jet have been booked and paid for. There is a waiting list for KS2 but we currently do not have a waiting list for KS1. *If you no longer wish for your child to go, you are still liable for payment unless another child takes their place.*

As always, if you have any queries regarding trips or monies, please come and speak to a member of the team. Thank you for your continued support.

Congratulations

Leah Ball

What a super aeroplane! Great art and design skills—well done and thank you for sharing this with us :)

RECEPTION AND YEAR 6 CHILDREN

On Wednesday 5th February the Reception and Year 6 children are having their height and weight recorded by the School Nurses on behalf of The Local Authority Public Health, as part of the National Child Measurement Programme. You will be sent a letter informing you of which range your child's BMI falls into.

If you receive a letter that puts your child into a different range to one you were expecting or you have a concern regarding your child's growth, please contact the School Nursing Team who will be happy to look at individual data and offer any support or advice.

Your School Nurse can be contacted on 821388 (Ext 1or 2).
