

Lanesend Primary have a Therapy Dog, our dog is called Daisy

Daisy will:

Always be with a grown up

Always be on a lead

Wait for you to say hello to the grown up before her

Be allowed to be picked up by grown-ups only

You will:

Talk to the grown up before Daisy

Treat Daisy kindly and gently

Only let a grown-up pick up Daisy

Wash your hands after you stroke her

Tell grown-ups if you are worried or unhappy to interact with Daisy

We will:

Train Daisy not to jump up or lick but we know she is a puppy so we have to make sure that we do not encourage her to do this

**Ability Dogs
4 Young People**
