## THE SQUIRREL

Issue 38 Thursday 13th July 2023

It has been a real pleasure to have Greg Bottrill in school with us this week. He has written lots of books on learning through play but his passion is to create joy, magic and memories for children which aligns with my heart too. The children loved working with him and were absorbed in his play projects. I believe that children know if you are a good and kind person and they could see this in Greg. It was also lovely to be able to run a conference for other Isle of Wight schools to come and share in the wonder of Greg. I am sure Team Lanesend will continue to make many magic moments next year too.

We do still have lots of magic moments planned before the end of this year, which is now only nine days away. These start with Year 4 having a day out to Osborne House tomorrow as part of their history learning this term. We have a Quay Arts visit on Tuesday for Year 6. On Wednesday, we are planning to open our doors to exhibit some of the children's art that they have been working on this past week as a celebration of our curriculum focus on the 'Power of Creativity and the anniversary of Crayola. We will open the exhibition after lunch on Wednesday at 1.30pm through to 6pm for you to come and visit.

On Thursday, we have our Leaver's Assembly at 9.30am, followed by Leavers' BBQ and an early finish at 1pm for Year 6 children. Year 6 children can have their T-shirts signed on this day after Leavers Assembly if you so wish. I know the children love doing this! I wonder if in many years time look at their T-shirt and, hopefully, smile at their time here at Lanesend. I always love the Leavers Assembly and reflecting on how far the children have come and how exciting their next adventure is.

On Friday, Year 6 are off to France and those not going to France will also be on a day out for their end of school celebration. We will send out details for this to the families tomorrow. After next weekend, we have only have three more days with Sports Days and of course our beach trip on the last day of term. We are planning on taking the whole school to the beach and all the staff so the school will actually be closed during the time that we are at the beach. I will send out a contact number for our emergency number on this day and we will keep you updated with our movements throughout the day. (Please do let me know if you have any pop up tents we can borrow for the day, thank you).

It was lovely to see all the wonderful photographs from the Mardi Gras last Saturday and I would just like to thank the Year 2 team for supporting the event and to all the families and children who came along and took part in the day. It is the support of the team that enables all these lovely moments of joy to happen and I will be forever grateful for all the support I have had over the years to make so many moments of joy for the children. I really cannot do it without the support of the Lanesend Family. Daisy loved it too and was a little worn out, I hear, after her day of adventure.

Year 5 families are invited in for lunch next week. It has been lovely to see our Year 3 families in this week joining their children. The children really do love it. I have just seen some of the boys escorting their Dad's to the office after their lunchtime moment of joy. How lovely!

Just a reminder that outstanding monies do need to be paid by next week. We will be chasing you so that we can finish the financial school year ready for our accounts at the end of August.

Through August, the school will be stripped down and cleaned and ready for September. Just talking about September Mrs Sutton emailed me after visiting the school last week and asked me to share the following message to our Lanesend family:

*'Thank you to all those families who were able to join me on Thursday. It was lovely to meet more members of the Lanesend community and to be able to share a little about myself. If you were not able to come, look out for the coffee morning that we will schedule near the beginning of the new year. I hope you all have a wonderful summer break. Best wishes, Mrs Sutton.'*

I did have my very last Full Governing Body meeting last night and was very touched by the kindest their showed me. I have enjoyed working with many Trustees over a long time and value their support for the school. Being a Trustee can be a really rewarding and lovely experience. If you would like to consider being a Trustee then do please let me know and I can put you in touch with the Clerk to the Trustees who can tell you more.

In school this week, the children have been competing in our Spelling Bees. Spelling is one of the areas that we have focused on and will continue to do so as many of the children find spelling a challenge. There are lots of different ways we can encourage spelling but most of the time we have to learn them. If you can help your child at home to memorise their spellings and use them when you are and about that would be really helpful. The team were very impressed with the spelling bee champions and their confidence to spell. It was lovely to see.

Dance Live started this week and Mary has shared her concept of our David Attenborough National Treasure performance. The story will begin with David as a young boy, waking up going out to catch frogs, butterflies and collect fossils. It will then go to him at school and graduation, there will be a dance in gowns and hats, which they will take off to reveal solid uniform, before David being handed a camera and crew. We will then zoom through the camera and come out in the rainforest. We will follow David from rainforest to desert, before finishing with a stampede to the river, where we will enter the river and follow into the ocean with a beautiful under water scene, taking us to the polar ice caps and we will have a dramatic end with a climate change and global warming scene. The performance will then finish with a life time achievement award for Sir David. Fabulous!

It definitely sounds like a winning concept. I do now have confirmation that our performance date is Thursday 1st February 2024. I hope that I will be here to get some tickets and come and enjoy the performance as part of the audience.

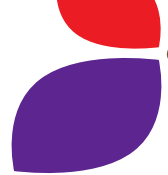

We have had our results in from our National Assessments I have just got to check some and next week I will share them all with you. You will also get a report of your child's results next Thursday when you collect your child's learning and belongings alongside their Pupil Progress Reports.

Finally, Joyce from Cowes Library is in to launch the Summer Reading Challenge and Mr Andre is also busy putting together a Summer Home Learning sway too. Have a lovely weekend. Not long to go now.
