

Physical Education and Sport Grant 2020/2021

The Physical Education and Sport Grant was first introduced in September 2013 for all children within school who had turned 5 years old at the census date each January.

We are required to report how many children are entitled to the PE and Sport Grant and how we spend the money.

Total number of children on roll aged 5-11 at census January 2020 401

Overall aim for school - Gold Award needs to be maintained for 5 years before applying to be converted to Platinum. We will be applying to maintain Gold this year (this will be for the third year in a row). P.E. leads monitoring all aspects of this to ensure Gold is met (within confines of current school closure situations.)

Support provided with PE and Sport Grant from September 2020 to March 2021

Due to Covid-19 and the closure of schools to most children, the support we were due to provide was unable to take place in its entirety due to the lockdown measures and social distancing rules in place. Even when schools were open some activities were risk assessed as not possible under the government guidelines and therefore had to be cancelled.

- Ballet lessons every week for Year 2 children September to December when school was open
- Ballet lessons every week for Year 1 from January to March when school was open
- Dance Live dance lessons involving over 100 children from KS2 in person and online
- Subsidised after school clubs when school was open
- All children take part in the daily Mile run and continues to demonstrate a good level of fitness across the school which can be evidenced in our children's performances in Cross Country, Triathlon and other intra/inter school events.

Support to be provided with PE and Sport Grant from April 2021 to August 2021

Due to Covid-19 and the closure of schools to most children, the support we were due to provide was unable to take place in its entirety due to the lockdown measures and social distancing rules in place. Even when schools were open some activities were risk assessed as not possible under the government guidelines and therefore had to be cancelled. Below are the activities we plan for within current guidelines:

- Weekly ballet lessons to continue for Year 1 and then Yr R
- Subsidised swimming lessons for Year 1, 2, 3 and 4
- Subsidised after school clubs within Year group bubbles
- Daily Mile run will continue
- Subsidise UKSA Watersports activities for Year 5 through providing staff additional hours to accompany the children.
- Summer term teacher twilight session in PE and sport, which we will look to run adhering to social distancing rules.

Number of children eligible for PE and Sport Grant

Total Number of children	401
Total amount of PE grant received	£11,503 from September 20 to March 21
Total amount of PE grant received	£8217 from April 21 to August 21

PE AND SPORT GRANT: CONDITIONS OF GRANT FOR THE ACADEMIC YEAR 2020 to 2021

Purpose of the premium

The premium must be used to fund improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2020 to 2021 academic year to give them the opportunity to develop a healthy lifestyle.

Basis of allocation

Allocations for the academic year 2020 to 2021 are calculated using the number of pupils in Years 1 to 6 (or aged 5 to 11 years where pupils are not recorded by year group), as recorded on January 2020 census, as follows:

- schools with 17 or more pupils receive £16,000 plus £10 per pupil
- schools with 16 or fewer pupils receive £1000 per pupil

Impact and planned impact

What the sports premium was used for	Potential impact	Planned spend	Impact with evidence
Staff training	<p>To focus staff on skill development in lessons rather than games</p> <p>Will allow staff to gain the skills to differentiate lessons to cater for all levels in lessons and ensure lessons are fully inclusive. Having had 2 sessions in Summer 2020 the third session is now booked for Summer 21 due to covid restrictions.</p>	£120	Planned spend for Summer 2021 impact will be seen 2021/2022
Dance Live dance lessons	To allow children access to a qualified dance teacher and the opportunity to perform at a large event to increase their confidence	£1300 up to March 2021 £762.50 April to May	Allowed children from Year 3-6 to perform on a stage, learn a dance routine, learn to work as a team. Develop dance skills, listening skills and discipline. Also increased confidence and self-esteem. The children recorded the dance with a professional filming crew at school due to covid.
After school clubs	The increase in the availability of sport based after school clubs, to increase the level of fitness and skill.	£500	<p>It has also encouraged children to take part in sport which they might otherwise have not participated in. The invite only fitness club has targeted those children who may need more support in this area.</p> <p>The clubs have also enabled the Leader of Learning for PE to identify pupils who have the skills and attitude</p>

			appropriate to enter the various inter school competitions.
Ballet	To develop a skill in movement and interest in being active	£200 Autumn term £400 Spring and Summer Term	Ballet has helped with agility, balance and coordination so that the fundamental skills are embedded at a young age and they can take these skills forward as they participate in sport activities both inside and outside of school.
Swimming	A fundamental skill for children to have	£1000	Provided access to children to go to swimming lessons who may otherwise not have done so at home. Allowed those who already have swimming lessons to improve by having more time in the water.
All weather Daily mile track	To enable the Daily Mile to take place safely in all weather. The Daily Mile encourages fitness, exercise outside, allows an appropriate time for children to be away from their desks. Encourages children to participate in exercise especially important for those who don't outside of school. All children can access this exercise.	£33,333	Planned spend for Summer 2021 impact will be seen 2021/2022

Year 6 swimming

73% of our cohort are able to meet the national curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25m, use a range of strokes effectively and perform safe self-rescue in different water-based situations.
