

Physical Education and Sport Grant 2015/2016

The Physical Education and Sport Grant was first introduced in September 2013 for all children within school who had turned 5 years old at the census date each January.

We are required to report how many children are entitled to the PE and Sport Grant and how we spend the money.

Total number of children on roll aged 5-11 at census January 2015 238

Support provided with PE and Sport Grant from September 2015 to March 2016

- Recruited a Teaching Assistant to work 1 hour extra after school every day for the sole purpose of running after school sports clubs which are free for children to attend
- Ballet lessons every week for Year 1 children
- KS1 after school football club weekly provided by a TA paid for by school, free for children to access
- Installed an outdoor gym

Support to be provided with PE and Sport Grant from April 2016 to August 2016

- Teaching assistant led after school sports clubs to continue every day, free for children to access
- Weekly ballet lessons for Year 1 to continue
- Isle Jump visit for Year 6
- Sports Coach brought in weekly for Year 2 PE lessons
- Golf lessons for 3 weeks for Year 5 pupils
- Subsidised after school taster golf club for 20 children to attend for 3 sessions
- KS1 after school football club weekly provided by a TA paid for by school, free for children to access
- Scooter training for staff and each class provided by an outside coach. We received a grant for the purchase of the scooters and some of the training, the school has funded the remainder and the additional helmets required and we will purchase the storage shed for the new scooters and helmets.

Number of children eligible for PE and Sport Grant

Total Number of children	238
Total amount of PE grant received	£5,358 from September 15 to March 16
Total amount of PE grant to come	£3,827 from April 16 to August 16

Impact and planned impact

The increase in the availability of sport based after school clubs, which are free for the children to attend has increased the level of fitness and skill. It has also encouraged children to take part in sport which they might otherwise have not participated in.

The clubs have also enabled the Leader of Learning for PE to identify pupils who have the skills and attitude appropriate to enter the various inter school competitions.

Ballet in Year 1 helps with agility, balance and coordination so that the fundamental skills are embedded at a young age and they can take these skills forward as they participate in sport activities both inside and outside of school.

The outdoor gym has encouraged children to be more active, it is a self-initiated activity as the children can choose to use this equipment at lunch and break times. It has also allowed teachers to offer a more varied PE curriculum.

The golf lessons and clubs have been planned to offer a new sport that many won't have tried before, it encourages discipline and control and provides an alternative to team sport.

The scooters were purchased to widen our PE curriculum offer and our after school clubs provision. They are designed to be used across school to develop and embed the fundamental skills of agility, balance and coordination. We also plan to run inter school competitions so more children can benefit from the equipment than just our own pupils.

PE AND SPORT GRANT: CONDITIONS OF GRANT FOR THE ACADEMIC YEAR 2015 to 2016

Purpose of the premium

The premium must be used to fund improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2015 to 2016 academic year to give them the opportunity to develop a healthy lifestyle.

Basis of allocation

Allocations for the academic year 2015 to 2016 are calculated using the number of pupils in Years 1 to 6 (or aged 5 to 11 years where pupils are not recorded by year group), as recorded on January 2015 census, as follows:

- schools with 17 or more pupils receive £8,000 plus £5 per pupil
- schools with 16 or fewer pupils receive £500 per pupil
