Impact and planned impact

The increase in the availability of sport based after school clubs, which are free for the children to attend has increased the level of fitness and skill. It has also encouraged children to take part in sport which they might otherwise have not participated in. The invite only fitness club has targeted those children who may need more support in this area.

The clubs have also enabled the Leader of Learning for PE to identify pupils who have the skills and attitude appropriate to enter the various inter school competitions.

Ballet in Year 1 helps with agility, balance and coordination so that the fundamental skills are embedded at a young age and they can take these skills forward as they participate in sport activities both inside and outside of school.

The outdoor equipment in Early Years has encouraged children to be more active, it is a self-initiated activity as the children can choose to use this equipment at lunch and break times.

The new PE equipment has allowed teachers to expand the sport curriculum they can offer such as new mats which have been used for gymnastics and yoga.

PE AND SPORT GRANT: CONDITIONS OF GRANT FOR THE ACADEMIC YEAR 2016 to 2017

Purpose of the premium

The premium must be used to fund improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2016 to 2017 academic year to give them the opportunity to develop a healthy lifestyle.

Basis of allocation

Allocations for the academic year 2016 to 2017 are calculated using the number of pupils in Years 1 to 6 (or aged 5 to 11 years where pupils are not recorded by year group), as recorded on January 2016 census, as follows:

- schools with 17 or more pupils receive £8,000 plus £5 per pupil
- schools with 16 or fewer pupils receive £500 per pupil
